

# Curate for Discipleship Info Sheet

Discipleship happens anywhere, anytime, anyplace. This is even more true with the increasing ubiquity of mobile devices. How do we make our commute to work or the quiet lunch break alone a time of discipleship? Imagine if we halved the hours we spent on social media reading gripes and grouches and spent it on nourishing our minds and souls with a like-minded community! WOW!

This DMM, challenge yourself to curate an impactful learning program on Gnowbe! Add your unique touch to a devotional or bible study program and you even stand a chance to win amazing prizes!

Create your program based on **one** the following categories:

## 1. Devotional Material

Curate a program that can be used as daily devotional material. It can include scripture reading, spiritual disciplines, life applications and more. Your program must be based on one of these pre-determined themes/topics:

- a. Thanksgiving*
- b. Hope*
- c. Exodus*

## 2. Bible Study Material

Curate a bible study program on the **book of Nahum**. The study can be prepared for group discussion, individual study, or both.

## What we are looking for:

- Originality & creativity  
Be creative in approaching the topics and have a blast in using the tools on Gnowbe. Remember, always give credit if you are using other people's work (i.e. do not plagiarise).
- Community learning  
Discussions enhance learning. In your program, encourage learners to use the Gnowbe board to share answers and ask questions. This creates a vibrant environment for community learning.
- Participation & Completion  
How many people can you get to use and complete your amazing new program? This will be exciting to discover! Encourage and motivate learners to complete the program for the best growth.

## Prizes:

Grand Prize x 1: Samsung Galaxy Tab A7 (2020)

Best programs x 3: Food hamper worth appx. RM150
